About Me

Hello! I'm **ARIYANKA T**, a recent graduate in Computer Science with a passion for creating impactful software solutions. I'm particularly interested in web development, UI/UX design, and open-source contribution. I love learning new technologies and solving real-world problems through code.

When I'm not coding, designing simple UIs, and participating in tech communities. I'm currently looking for entry-level opportunities to grow my career and contribute meaningfully to a team.
